Barbara noted that she could not open the Samet pdf files that I just sent out. I had the same problem even though I was able to open them an hour ago. I have attached these files anew. I was able to open both of these. Let me know if any of you have a problem opening them. If so, it may be a Lotus problem.

How I miss Sheri Hester at ORISE! She usually provided papers within a few minutes. I requested the following papers from the EPA library two weeks ago:

Samet et al. 1987 - Health effects and sources of indoor air pollution Parts I and II (NOTE: Jonathan Samet is the chair of the NAS panel)
